

Fassifern Horse and Pony Club Newsletter - April 2010

Welcome to all our new members - we hope you get to musters regularly so we can get to know you!

Meeting minutes - are sent to everyone so please read them when sent to you to get all the details of what is happening behind the scenes for your club!

State Championships Superstars - congratulations to all of our members who went to State Champs in Jumping Equitation and Showjumping - you represented us well. Brooke Langbecker came home with a State Champion rug and Luke Harmer, Annabel, Brittany, Eloise and Felicity Watkinson all got into the competition spirit - doing well, most bringing home at least one ribbon. A fine effort by all!

For those of you out competing - if you want to be in the running for end of year trophies in your chosen discipline - please send your results to Letitia on letitia@skymesh.com.au who will collate points for the end of year.

A BIG Thank You to John Anderson for all his work around the clubhouse - cleaning the gutters and installing the gutter guard - not an easy job !!!! He ALSO worked very hard behind the scenes for our Zone 3 Dressage and Ct Championships - a real trooper and he doesn't even ride!!!!!!

Thanks go also to all of the other club members who did not have family riding at the Zone 3 Champs who came along on the Sat to set up or on the Sunday to help out in one way or another - you know who you are and if not for you guys the day would not have run so smoothly!!!!

Pencillers in particular are required on the Sunday the 2nd - an easy but essential job - you may also learn something as you are pencilling for a vet...
