Final for 2008

November Meeting Summary:

- *Club House Floor – has been sanded and looks fantastic! Thanks to Don, Keith and Geoff for moving all the furniture to allow the sander to access the floors. Barbara is organising for some vinyl to go in the kitchen area.
- *Safety Switch check – has been kindly done by Michael Draheim – thanks Michael!
- *End of Year Break up – approximately 60 people attended and a great night was had by all. The venue was good and the food excellent – thanks to Mark Rees for doing the spit roasts. We had a great variety of salads and desserts provided and enjoyed by all. The “Bucking Bull” provided non stop entertainment for all for 3 hours and then David took over with some games for the kids. Notable awards given on the night include David and Felicity sharing the Attendance Award. The Presidents Trophy was well awarded to our Club Patron Jennette Oasbourne and Club stalwart Terry O'Brien has been awarded Life Membership. All very worthy recipients! Well done also to all those who are out and about competing and representing our Club!
- *Final Muster – those riders who attended thoroughly enjoyed the day, many thanks to David Waller for organising the program and for helping it to run smoothly on the day.
- *Southport Summer School – is the first weekend in January and further details can be obtained from PCAQ. A great chance for some of the older or more experienced riders to get some great instruction.
- *Club Captains Report – David thanked everyone for the support given to him in his year as Club Captain.

*2009 AGM has been set for 1st February 2009 at 3.30pm at the club house. The first General meeting for the year will follow the AGM.

*First Muster for 2009 to be on Saturday 14th February starting at 9am.

If you get your renewing membership forms at the AGM you can then have them all ready and signed for the first muster so you can pay your fees and ride straight away - don't get stuck in the club house filling out forms when you can be out riding! The format for this muster will be developed at the instructor meeting this month.

*Instructor meeting - to be held in the clubhouse on Thursday 27th November at 7pm. Chinese take away to share before the meeting.
