

Fassifern Horse & Pony Club Newsletter November 2007

BREAK-UP PARTY

We would like everyone to put the past behind us and let's PARTY. People have planned lots of activities and there will be lots of games, prizes and presents for the kids.

The more we have come along, the more fun will be had.

Date: 24th November—11.30am

Cost \$10 for adults and \$5 for children under 12.

(The club is subsidising the cost and supplying a soft drink for each child)

You can email your RSVP by the 17th November, with numbers to me at barbirving@bigpond.com or Jill on jill.crowley@bigpond.com

Alternatively, give me a phone call on 54631786 or Jill 54631384

We are looking forward to a bright and exciting season next year—we have bought fantastic new equipment and hopefully, after such a long off-season, we will have some fresh ideas and rejuvenated instructors to make it an enjoyable Pony Club year for all.

We also have a meeting planned in regard to a proposed lease of land at Wyaralong to use for Cross Country as well as lots of other activities, so this could make a very positive and interesting year to come.

Remember, if you want to have your say or share ideas for a bigger and better Fassifern Horse & Pony club—come along to a meeting.

Also, the Annual General Meeting is only a couple of months away and we will be looking for people to take on some of the all important jobs that help the club to grow and achieve.....

We would like to remind all members that if you are using the facilities outside of club days there are rules to follow: 1. all junior riders must be accompanied by an adult, and the book filled out on the verandah.

2. If you are using the jumps, you must have a qualified PCAQ instructor with you.

3. If you use equipment, IT **MUST BE PUT AWAY**. It is extremely unfair to expect other members to put gear away that you have left.

Meeting Highlights

Website - ongoing. My apologies to those who could not open that last newsletter. I hope you all got it in the mail. I am doing my best to get it out this month.

Wyralong Dam site for club use - this is looking very positive with all concerned parties quite keen on the idea—a meeting with all people involved will be coming up shortly

Showjump equipment - new brick wall has been ordered. Will look at further needs and costs. The wall and dressage arenas will be ready for use next year when (hopefully) everything will be back to normal.

Breakup - see article

Clubhouse Floor - ongoing

Bowling—Alison reported a good response

Clubhouse gutters - done with thanks

Instructor training/refresher - this will now be held over until 2008

We hope that you and your horses are all doing well and that if you are among the unfortunate to be affected by the flu that all recover quickly.
